

The Downtown Committee of Syracuse is a not-for-profit organization whose mission is downtown's revitalization.

We improve Downtown Syracuse by strengthening its economic base, increasing its attractiveness and assuring that it's clean, safe and accessible.

We provide our services to all who are located in the downtown district, and if you're considering a move into Downtown Syracuse, we can help with that too!

Think of us as your source for EVERYTHING Downtown Syracuse.

How Can We Help You?

Public Space

We are a partner in efforts to ensure attractive and welcoming public spaces.

Our Security Team-

- Patrols Downtown Syracuse
- Acts as a liaison between businesses and Syracuse Police
- Responds to calls from 423-HELP, a non-emergency phone number set up to address quality of life issues
- Offers personal safety seminars and security audits to businesses

Our Environmental Team-

- Provides daily litter control
- Mows grass, cuts weeds and trims hedges
- Removes graffiti
- Maintains street furnishings
- Engages in beautification initiatives, including plantings and hanging flower baskets
- Assists with sidewalk snow plowing during the winter months*

*In the city of Syracuse, sidewalk maintenance, including snow plowing, is the responsibility of the property owner. The Downtown Committee of Syracuse, Inc. is not liable for injury incurred as a result of insufficient removal of snow by the property owner.

Marketing & Communications

We promote Downtown as a vibrant destination and support our businesses by raising visibility and encouraging exploration of downtown's assets.

Our team-

- Amplifies your marketing initiatives
- Promotes your storefront business on our website, DowntownSyracuse.com, our social media pages, in newsletters and more
- Lists and promotes your events on our online calendar and in our weekly newsletter
- Produces and coordinates Downtown-wide promotions
- Produces and provides brochures featuring Downtown information
- Organizes special and annual events
- Provides social media, news media and marketing strategies to help you optimize your business promotion

Economic Development

We are the keepers of downtown data and connect businesses and developers to resources that strengthen Downtown's economic base.

Our team-

- Tracks all downtown real estate and spaces that meet your business needs
- Provides commercial occupancy reports for Downtown Syracuse
- Identifies incentives and grant opportunities to grow your business or property
- Compiles up-to-date demographic information and market research
- Provides comprehensive housing and parking brochures
- Acts as a liaison with the City of Syracuse
- Connects to technical assistance providers for business training and resources
